Investools

from  **Ameritrade**
Holding Corp.

It's your future. In your hands.

As an Investools® from TD Ameritrade Holding Corp. student, you'll race toward your goals using a complete education solution that supplies all the tools, knowledge and support you've been searching for. The courses listed here are designed to build on what you already know, so you won't feel lost. Master each concept at your own pace. We'll be with you every step of the way.

Start with the courses you've already purchased.

Learn how to make trading choices based on logic, not emotion, in your **Principles of Investing** course. **Introduction to Trading Stocks** will give you an overview of stocks as you learn how to use the Investools 7-Step Investing Formula® to make informed decisions based on top-down analysis.

When you're ready to move on to more advanced trading concepts, Investools offers four different programs to choose from. Each includes live and on-line education, plus Level 3 Support, our most personalized coaching package.

Level 3 Support
