ACTIVE INVESTING

WHY SHOULD I PARTICIPATE?

Come for the exclusive currency education

This multiday currency course is designed to teach advanced currency trading technical analysis, professional risk management skills and principles of the Forex market. The class emphasizes integrating knowledge with application.

Immerse yourself in learning

The best way to learn is to practice. That's why real-time trading examples are used in instruction and in your own personal learning. Intensive trading sessions allow instructors to review your trades and methodology.

Focus on you

The small classroom environment provides personal trading system development, feedback and analysis. Instruction is tailored to support your unique investment objectives.

Get an outstanding education

Top-level instructors, all of whom actively trade the strategies they teach, deliver live instruction. See firsthand how the industry-renowned ProphetCharts can take your trading success to the next level.

Take the course live or online

We now offer an online version of this popular course. Using an audio/video webcasting application, you can participate in eight weeks of three-hour online sessions wherever you have Internet access. Additionally, each week there will be 1 ½ hours of open office time for students. This time is spent going over any questions from the previous session.

Network

Network with dedicated students and advanced instructors who, like you, are looking to become better traders.
