

Advanced Technical Analysis

ONLINE COURSE

WHY SHOULD I PARTICIPATE?

Learn what you're missing

The market provides an enormous amount of information. But first, you need to know where to look, which is what you'll learn in this course.

Make ProphetCharts® come alive

Technical analysis is all about becoming interactive with market data. In this course, you'll learn how to achieve this through proficiency with the industry-leading ProphetCharts application.

Become more precise

Know when a stock, industry or market is about to make a move and be one of the first to take advantage of it.

Discover why "the trend is your friend"

Learn advanced charting techniques to identify trends, minimize ambiguity and increase profit potential in almost any market condition.

Know the terms

Learning the terminology can be challenging, but this online course gives you anytime, anywhere access to online student lounges, instructors, a knowledge base and glossary.

WHAT WILL I LEARN?
